## COMPLEX CARE, MADE SIMPLE

Our BriaCare™ philosophy of care is centred on each person's unique needs, focusing on enhancing independence, offering choice, and ensuring personal wellness. We work collaboratively with residents, medical professionals, family members and loved ones to provide each resident with the highest quality of life.

Our skilled and compassionate nurses, care aides, recreation teams, chefs, and hospitality staff work together to promote residents' health and well-being.

Life at Magnolia Gardens is active and vibrant—music, fitness, art, and laughter make each day unique.

## OUR RATES

\$215 per day for 24-hour licensed nursing care.

Residents who request a Studio Plus suite pay an additional monthly supplement.
